

CHORDIALITY INC

MEMBERSHIP FEES

Chordiality's annual membership fee is currently \$480. This covers the fixed costs of running the choir, including rehearsal venue hire, professional fees and insurance. These costs are shared across the full membership and are not adjusted for individual seasonal participation. The fees are reviewed annually.

Members may pay the annual fees in two instalments. Instalments do not correspond to seasons.

If you are experiencing financial difficulty, please speak confidentially with a committee member. We are committed to supporting continued participation wherever possible.

Members who need to miss a season due to significant circumstances may apply to the committee for a reduced annual fee. Any approved reduction may also be paid in instalments.
